

The place for your next event

THE North Ballarat Sports Club located in Creswick Rd, Ballarat has undergone several renovations over the years and is now one of Ballarat's leading sporting clubs and conference centres.

As you enter the reception area of the club you are immediately drawn to the giant hand-painted mural that was completed in 2006 as part of the most recent refurbishments.

The history of the club, as well as Ballarat, is on display throughout this mural, capturing the community spirit and involvement that the club has within Ballarat.

The recent refurbishment has provided the club with three individual function rooms with the option of opening up into one big room. The main function room can seat 140 comfortably. Each individual room capacity can seat between 30 and 40, or 70 people theatre style, and 280 cocktail style.

The club's function facilities are ideal for corporate workshops, business luncheons, and engagement and birthday celebrations. Full catering and use of data projector, Internet and other presentation equipment is available when hiring its facilities.
